FIELD SAFETY RULES

Field GPS location –N-36deg-04'-28", W- 80deg-04'-6.5". (Kernersville, NC)

A. The Club rules and regulations shall include, but not be limited to, all AMA safety rules and regulations as published by AMA each year. The Club rules include:

1. Flying electric powered model aircraft 60 size or smaller shall be allowed.
2. No alcoholic beverages are permitted at the field at any time.
3. Trees and shrubbery cannot be cut without the approval of the Board of Directors.
4. Frequency pins are required to be in the possession of the pilot for 72 MHz channels, frequency pins are not required for 2.4 GHz radios.
5. No high speed passes at or over the pits. Do not fly behind the marked flight line, horizon to horizon.
6. The flying site shall only be used during day light hours.

B. Failure to abide by the Club's rules and/or the AMA Safety Rules and Regulations could result in the loss of membership. Board of Directors shall investigate any complaints regarding non-compliance and membership can be revoked by unanimous vote of the Board of Directors. In the event of loss of membership, dues or fees will not be refunded.
